

COFFEE BREAK

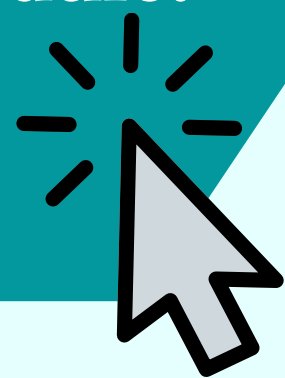

We are inviting all our parents/guardians to schedule some time to share ideas, concerns, or issues you might be having that directly affect your child's education. We want to support our families and ensure student success.

Schedule a 30-minute meeting with the Family Enrollment Coordinator, we can meet in person, via phone call, or virtually.

Please scan the QR Code to open the schedule and book a 30 minute time slot.

You can also use this link to access the schedule:
